

Attorney Docket no: SEL 270

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:

Jun KOYAMA

Serial No.: 09/911,156

Filed: July 23, 2001

For: Method Of Driving Display Device

Examiner: H. Philogene

Art Unit: 2821

Confirm no.: 4499

Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: the Assistant Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on

May 1, 2003
 (Date of Deposit)

REQUEST TO CONSIDER PREVIOUSLY SUBMITTED IDS
IN FURTHERANCE OF NOTICE OF ALLOWANCE

Sir:

On February 18, 2003, the undersigned filed an IDS and a 1449 form (see attached copy).

As the attached post card shows, this IDS was marked received by the PTO on February 18, 2003.

On February 19, 2003, the undersigned filed another IDS and 1449 form (see attached copy of each). As the attached post cards show, this IDS was received by the PTO on February 24, 2003.

On March 25, 2003, the Examiner issued a Notice of Allowance for the above-identified application which Applicants appreciate. However, upon review of the Notice of Allowance, Applicants note that while the Examiner has indicated review of prior Applicants' IDS submission,

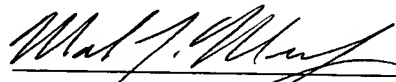

there is no indication that the Examiner has considered the IDS filed on February 18, 2003 or the one filed on February 19, 2003.

As the date of filing of these IDS are well prior to the date of the Notice of Allowance, Applicants request that the Examiner consider these IDS and issue a supplemental Notice of Allowance.

Applicants do not believe a petition or fee is due for this request. However, if a petition is due, please consider this such a petition and please charge our deposit account 50/1039 for any fee due for this request or petition.

Favorable consideration is earnestly solicited.

Respectfully submitted,

Mark J. Murphy
Registration No. 34,225

to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

As a RCE was filed and Applicant has not received a first office action, notice of allowance or issue fee, no fee is believed necessary. However if a fee is required, please charge Deposit Account No. 50/1039.

Respectfully submitted,

Mark J. Murphy

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Pursuant to 37 C.F.R. §1.97, as revised on February 4, 1992, 1135 OG 23-24, Applicant hereby calls the Examiner's attention to documents listed on the attached form, which documents may be material to the examination of this application. Copies of the references are enclosed herewith for the Examiner's consideration.

Previously, Applicant provided a machine translation by the Japanese Patent Office of JP 9-016122. Applicant is now providing a new English translation of this reference.

No inference should be drawn that the attached list sets forth a comprehensive investigation of the prior art, that any or all are pertinent to the invention, or that any apparatus disclosed is equivalent to the subject invention.

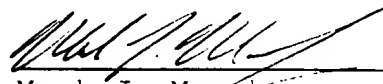

RECEIVED
MAY 13 2003
TECHNOLOGY CENTER 2800

The citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

As a RCE was filed and Applicant has not received a first office action, notice of allowance or issue fee, no fee is believed necessary. However if a fee is required, please charge Deposit Account No. 50/1039.

Respectfully submitted,

Mark J. Murphy
